Yes, you confessed that you FUCKED her Four times in 24-36 hours. I get it! You couldn't get an erection with me AND you Never fucked me four times in 24 hours. You've said it all. I got my confirmation. Do you think I would want to be with someone that's not attracted to me or desires me the way you desired Kristie!?? No thanks. Too many other hard cocks out there that will want to show me that I'm desired in that way. I'm not upset. I'm happy. I'm excited to meet my person. Ty.
